OS Cal + D (calicum)

How should I take Oscal D?

Take Oscal D exactly as directed by your doctor. If you do not understand these directions, ask your pharmacist, nurse, or doctor to explain them to you

Oscal D can be taken with or without food.

For Oscal D dosage one must follow his doctor's instructions.

It is important to take Oscal D regularly to get the most benefit.

Do not stop taking Oscal D without first talking to your doctor, even if you are feeling well.

Even after your symptoms improve, you may require continuous treatment for quite some time.

Store Oscal D as per the instructions on the label.

What happens if I miss a dose of Oscal D?

Take the missed dose of Oscal D as soon as you remember, during the same day. If you do not remember until the next day, skip the missed dose and take Oscal D only the regular daily dose. Do not take a double dose of the medication.
